

5 WORDS TO CHANGE YOUR LIFE

“Yes”

Introduction

The right words spoken in the right way at the right time will change your life. "Yes" will open new doors. "No" can avoid disaster. Joy is found in "Enough" and new life is found in "Help" and "Sorry". God will do big things with small words.

Pray

Don't forget that if anything significant happens, it's because God moved. Start by asking God to bless this time.

Practice Truth

1. Share a formative experience that was preceded by the word "Yes".
2. Do you think God generally carries a "Yes" or a "No" in his heart for you?
3. There are 7,457 promises of God in the Bible. How many can you name?
4. One of our encouragements is to say "Yes" to whom God says you are. Who does God say you are (be as specific as possible)?
5. Dirk shared that one of the barriers in stepping into God's future for you is being overwhelmed with the journey (It's the start that stops us). What is something you're intimidated in starting? What the simplistic first small step?

Leader's Tip

Early on cast a vision for multiplication. Share your hope for seeing future small group leaders come from this group's attenders so that we can all Do Life Together!

Do Life Together

As a group text '5WORDS' to 94000 to sign up for one (very) short devotional each week delivered via text. Each devotional will be based on the word from the previous week's message.

Next, our encouragement is to say "Yes" in three areas: to who God says I am, to what God has for me to do, and to the gift God wants to give (salvation). Where is God asking YOU to say "Yes"?
