Introduction

What really makes for a happy life? A new job, a bigger house, or a different relationship? If you're hungry for the next big thing but frustrated when it doesn't satisfy, you might be looking in all the wrong places.

Pray

Don't forget that if anything significant happens, it's because God moved. Start by asking God to bless this time.

Practice Truth

1. What struck you about the message from this past weekend?
2. What's the craziest thing you'd do if you suddenly received a million dollars?
3. Why does wealth seem like a moving target? Why do we always want a little bit more?
4. Jesus spoke regularly about money. What reasons would God have for caring what we do with our money?
5. How can we focus less on what we don't have and more on what God has given us?

Leader's Tip

If possible, it helps for people to be able to read the questions, not just hear them.

Do Life Together

Think of a way to use the things God has given you to help someone in need this week. Then make it happen!
