

5 WORDS TO CHANGE YOUR LIFE

“Enough”

Introduction

The right words spoken in the right way at the right time will change your life. "Yes" will open new doors. "No" can avoid disaster. Joy is found in "Enough" and new life is found in "Help" and "Sorry". God will do big things with small words.

Pray

Don't forget that if anything significant happens, it's because God moved. Start by asking God to bless this time.

Practice Truth

1. Do you resonate with the 'endless pursuit of more' and not being able to say enough? Share an example, or two!
2. Has there ever been a particular situation in your life where you wish you would have said enough, but didn't?
3. On the contrary to Q#2, has there ever been a time where you did say enough? Are you willing to share what the results were?
4. In the Parable of the Rich Fool, [Luke 12:13-21], what was the farmer's solution for dealing with his abundant harvest? What might have been a better solution?
5. "When God is your enough, you never need more." How can God become your enough, and why would that mean you will never need more?

Leader's Tip

Leave some time at the end of your first meeting for prayer requests. Let everyone know that each week there will be an opportunity for them to share good things that we can celebrate together or things that require prayer.

Do Life Together

Two takeaways were suggested for how to be rich towards God. What were they, and how might you practically apply them in your own life today? Pick one of these applications and commit to doing it this coming week.
