

Faith over Fear

Introduction

Your decisions determine your destiny and sometimes it's the smallest decisions that change your life the most. Intentionally choose the life God created for you by declaring, "I'm Over It." In this series we'll choose Belief over Doubt, Diligence over Regret, Purpose over Popularity, and Faith over Fear.

Pray

Don't forget that if anything significant happens, it's because God moved. Start by asking God to bless this time.

Practice Truth

1. Start by reading Matthew 14:22-33. What jumps out at you? What questions do you have about the story?
2. Where you ever afraid of storms as a kid? What's your favorite/least favorite kind of weather?
3. Why do you think Peter got out of the boat in vs. 28? Would you have done the same? Why or why not?
4. Name a storm that you've experienced in your life. How has it impacted your faith life?
5. Sometimes we believe that the safest place to live is in the center of God's will, yet in this story, Jesus sends his disciples into a dangerous storm. How do you reconcile these things?

Doing Life Together

What is a storm that someone in the group or someone connected to the group is experiencing? What can this group do to encourage and support them?
