

Making Monday Matter

Find Your Why

Introduction

Series intro: We all need to pay bills, get through school, and keep our families safe. But you were also made for more than the mundane. You were made on purpose and for a purpose. Let's move from just showing up to fulfilling God's unique calling.

Pray

Don't forget that if anything significant happens, it's because God moved. Start by asking God to bless this time.

Practice Truth

1. Have you ever tried to use something without knowing what it was or how to use it? How did that work out?
2. When you were a kid, how do you think you would have described your purpose?
3. Has your idea of your life's purpose ever clashed with God's idea? What effect did that have on your life?
4. How has God gifted you? How could you serve others with those gifts?
5. What are some ways God might be calling you to serve others during this time? What gets in the way of us serving one another?

Leader's Tip

You don't need to have all the answers. "I don't know. Let me try to find out the answer to that question this week" is a wonderful answer! Your group will admire your honesty. It also helps them envision leading their own group!

Do Life Together

One of the ways we can serve each other is by praying for each other. Each person should share a prayer need with at least one other person. They should set alarms for the time each day they will pray for their person. Then, make sure to follow up with them at least once during the week!
