

# NEIGHBORS & NATIONS

## Nations

### Introduction

Closeness with God means caring about the things that God cares about. Jesus demonstrated his deep love over and over again: people. Whether a person is next door or around the world, Jesus cares. Join us as we discover how we can join the heart of God and love our neighbors and bless the nations.

### Pray

Don't forget that if anything significant happens, it's because God moved. Start by asking God to bless this time.

### Practice Truth

1. This message taught us that God's heart and desire are to bless the nations. How does this impact the way you think about God? How does this impact your walk with Jesus?
2. As you examine your life, what need/needs among the nations has God put on your heart? What have you done/hope to do to make a positive impact on those needs?
3. In life, sometimes we put a period in our story whereas God wants to put a comma. Is there anything in your life where you have put a period, but God might want to change that period to a comma?
4. This message taught us that together we can make a difference. Why is this important to keep in mind? What are the things in life that stand in the way of this happening?
