

Do it Now!

Introduction

The most important thing doesn't always get the first priority—but it should. What will it take to stop being distracted by the urgent and start focusing on the meaningful? Today, let's slow down and decide to put first things first.

Pray

Don't forget that if anything significant happens, it's because God moved. Start by asking God to bless this time.

Practice Truth

1. Start by reading Haggai 1:1-8. How much did you know about Haggai before this message?
2. Why do you think the Jews had stalled in their progress of rebuilding God's house?
3. What's your greatest barrier to acting on God's plans?
4. Has your life ever looked like Haggai 1:6? What have you learned from that period?
5. Which area of your life do you most need to rebuild your devotion to God?
6. What is an 'unfinished assignment' that God has prompted in you but you have resisted until now?

Doing Life Together

Describe what your three steps to laying a new foundation—based on Haggai 1:8—might look like.
