

I Just Want You To Be Happy

Introduction

Every life changing milestone comes as a result of a courageous step of faith. Take yours today!

Pray

Don't forget that if anything significant happens, it's because God moved. Start by asking God to bless this time.

Practice Truth

1. What are some things that just plain make you happy?
2. How much of your day do you spend seeking out things that make you happy?
3. What was the no-win situation that Jesus was placed into in John 8? How did Jesus' answer reflect God's heart?
4. If God doesn't just want you to be happy, what does he want?
5. List out loud some of the things in your life you think you should value higher than happiness?
6. What can make us sometimes think happiness and holiness are at odds with each other? Are they?

Leader's Tip

You can occasionally share your thoughts and opinions, but don't be the person who talks most.

Do Life Together
